The hearty looking man who thumps his chest and says he's sound as a dollar, does not take into consideration the catarrh which bothers him occasionally.

"Oh! everybody has more or less catarrh. That's nothing," he says. But he is mistaken. What begins in catarrh may end in consumption. It is a foul disease at its best and a fatal disease at its worst when it involves the lung tissues. For catarrh and for diseases of the throat and lungs in general the standard medicine is Dr. Pierce's Golden Medical Discovery. It is recommended by physicians who have tested its efficacy and wondered at its cures. It not only destroys the disease, but it purifies the blood and strengthens the stomach and organs of digestion and nutrition.

"For twelve years I was a sufferer from catarrh and was treated by one of the best physicians in the state of North Carolina, who said the trouble had reached my lungs," writes Mr. J. M. Patton, of Clottho, Transylvania Co., N. C. "I grew worse every day until I tried Dr. Pierce's Golden Medical Discovery with Dr. Sage's Catarrh Remedy cured me and today I am well and hearty and I will say further that my former physician, Dr. W. M. Joyday, recommends Dr. Pierce's medicine to me and to others. I am sure your medicine will cure any case of catarrh that exists. I recommend them to all."

A Gift. The People's Common Sense Medical Adviser, 1008 pages, is sent free on receipt of stamps to cover expense of mailing only. Send 21 one-cent stamps for the paper covered edition, or 37 stamps for the cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for CATARRHAL TROUBLES, the proprietors prepare Cream Balm in liquid form which will be known as Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions but changes them to a natural and healthy character. Ely Brothers, 56 Warren St., New York.

Offspring of Local S. of V.

If present indications can be relied on for future results Daves Camp S. of V., No. 509 will, before long, be a parent organization and can point with pride to a lusty young Camp over in the hills of West Virginia. There are now several members of the local Camp who, in order to attend the meetings of the organization, are obliged to come to this city from Deerwalk, W. Va., a distance of some twenty miles.

It is the proposition of these S. of V. to establish a Camp at their home, and so avoid the long trip every Monday night. It looks very much as though the West Virginia members would accomplish their desire and secure a Camp.
